## Advisory Action Before the Filing of an Appeal Brief

Application No. Applicant(s)			
10/657,201	HERRINGTON, FOX JO	HERRINGTON, FOX JOHN	
Examiner	Art Unit		
James M. Hewitt	3679		

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address --THE REPLY FILED 02 July 2006 FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE. 1, X The reply was filed after a final rejection, but prior to or on the same day as filing a Notice of Appeal. To avoid abandonment of this application, applicant must timely file one of the following replies: (1) an amendment, affidavit, or other evidence, which places the application in condition for allowance; (2) a Notice of Appeal (with appeal fee) in compliance with 37 CFR 41.31; or (3) a Request for Continued Examination (RCE) in compliance with 37 CFR 1.114. The reply must be filed within one of the following time periods: a) The period for reply expires \_\_\_\_\_months from the mailing date of the final rejection. b) The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection. Examiner Note: If box 1 is checked, check either box (a) or (b). ONLY CHECK BOX (b) WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f). Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b). NOTICE OF APPEAL . A brief in compliance with 37 CFR 41.37 must be filed within two months of the date of 2. The Notice of Appeal was filed on \_\_\_ filing the Notice of Appeal (37 CFR 41.37(a)), or any extension thereof (37 CFR 41.37(e)), to avoid dismissal of the appeal. Since a Notice of Appeal has been filed, any reply must be filed within the time period set forth in 37 CFR 41.37(a). **AMENDMENTS** 3. The proposed amendment(s) filed after a final rejection, but prior to the date of filing a brief, will not be entered because (a) They raise new issues that would require further consideration and/or search (see NOTE below); (b) They raise the issue of new matter (see NOTE below); (c) They are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or (d) They present additional claims without canceling a corresponding number of finally rejected claims. NOTE: See Continuation Sheet. (See 37 CFR 1.116 and 41.33(a)). 4. The amendments are not in compliance with 37 CFR 1.121. See attached Notice of Non-Compliant Amendment (PTOL-324). 5. Applicant's reply has overcome the following rejection(s): 6. Newly proposed or amended claim(s) \_\_\_\_\_ would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claim(s). 7. 🛛 For purposes of appeal, the proposed amendment(s): a) 🖾 will not be entered, or b) 🗌 will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended. The status of the claim(s) is (or will be) as follows: Claim(s) allowed: Claim(s) objected to: Claim(s) rejected: 1-6,8-15 and 64-69. Claim(s) withdrawn from consideration: AFFIDAVIT OR OTHER EVIDENCE 8. The affidavit or other evidence filed after a final action, but before or on the date of filing a Notice of Appeal will not be entered because applicant failed to provide a showing of good and sufficient reasons why the affidavit or other evidence is necessary and was not earlier presented. See 37 CFR 1.116(e). 9. The affidavit or other evidence filed after the date of filing a Notice of Appeal, but prior to the date of filing a brief, will not be entered because the affidavit or other evidence failed to overcome all rejections under appeal and/or appellant fails to provide a showing a good and sufficient reasons why it is necessary and was not earlier presented. See 37 CFR 41.33(d)(1). 10. The affidavit or other evidence is entered. An explanation of the status of the claims after entry is below or attached. REQUEST FOR RECONSIDERATION/OTHER 11. The request for reconsideration has been considered but does NOT place the application in condition for allowance because: 12. ☐ Note the attached Information Disclosure Statement(s). (PTO/SB/08) Paper No(s). 13. Other: See Continuation Sheet.

Continuation of 3. NOTE: The amendments made to lines 1-4 of claim 1 and to lines 1, 3-4 and 11-12 of claim 9 raise new issues that would require further consideration and/or search.

Continuation of 13. Other: Regarding Applicant's request for reconsideration of the finality of the outstanding office action, it should be pointed out that Applicant's amendment to the claims in the reply filed 9/7/05 alone is basis for the new grounds of rejection presented in the 6/6/06 office action and for the finality of that office action. It is also noted that Applicant made further amendments to the claims in the reply filed 12/12/05, which also preceded the issuance of the final office action. The Hall reference was cited and applied as a result of Applicant's amendments to the claims. The Examiner cannot anticipate all of the possible amendments that Applicant can make to the claims. The MPEP requires the initial search to be based upon the claimed invention and that from the specification which can be reasonably expected to be brought into the claims. The amendments made to the claims in the replies filed 9/7/05 and 6/6/06 went beyond what the Examiner expected to be brought into the claims, and Applicant failed to point out on record that such claim amendments were intended to be made. Therefore, the Examiner conducted an additional search which produced the Hall patent.

Regarding Applicant's contingent petition filed with the request for reconsideration, the Office does not consider conditional or contingent petitions. Applicant either files a petition or not. Accordingly, the reply filed 7/2/06 has been treated as an after-final amendment and request for reconsideration of the finality of the 6/6/06 office action.
